POLICY DOCUMENT

Policy Document for Environment Protection and Green & Clean Campus

Higher education is a great contributor for society to achieve sustainability and therefore higher education in the country has been expanding at a great pace. Consequently, researchers has alarmed regarding environmental challenges due to rapid growth of HEIs. As per the view, campus expansion has resulted in an increase in the use of motor vehicles and resource consumption. Therefore, many HEIs around the world have attempted to transform their campuses to make them Clean, Green and Eco-Friendly.

The College makes all the necessary efforts to involve the students, faculty and staff in “Clean, Green and Eco-Friendly Initiatives” by designating a policy document to run this drive for the purpose of protecting Environment.

1. Introduction: - The College with its rich history of achievements in areas of academics, sports and cultural activities is held in high esteem not only by the student’s fraternity but also by citizens in general. In addition to the fact that institute has **completed 14 years** (spread over 20 acres) of its glorious accomplishments, the college also intends to introduce a clean, green and a pollution free atmosphere to provide a healthy environment for the entire campus and an effective learning experience for students. We firmly advocate the policy of environment conservation and also aim at enabling our students reach their full potential as well as helping them find creative healthy ways to enrich both the quality of education and the quality of life at campus.

2. Environmental Policy of the College: - The College is a quality conscious college. It protects its own environment with its green campus initiative and keeps pollution free campus. Environment development is its basic work with the educational policies implemented on the campus. Environmental conscious administration, the management and the students of the college look after the environment carefully. Every year, during rainy season, we do tree plantation and carefully look after it. It’s our own responsibility to preserve the work done on the campus related to the environment.

Our environmental policy:

- (i) To create awareness regarding environmental policy amongst the students and the teachers.
- (ii) To maintain pollution free campus by avoiding tobacco, pan-masala, chewing on the campus. As per the govt. rules and regulations regarding the instructions of tobacco free campus signboards are displayed at various places on the campus.
- (iii) To sensitize the students and staff regarding the use of drinking water properly for which, we have provided purified (RO aqua-guard) drinking water facilities on the campus.
- (iv) To bring in use the "Rain Water Harvesting" on the campus. We have collected the rain water from the college roof and it is percolated in the land. There are 2 water harvesting tanks completed and 2 under construction with the capacity of 1 lakh ltr.
- (v) To observe No Vehicle Day and keep the campus vehicle free. It helps to save the fuel, avoids the environmental pollution.
- (vi) To maximize the use of ICT and minimize the use of paper. It will help to go towards "Paperless Office".
- (vii) To use the solid waste through vermin-compost on the campus and use it as a fertilizer.
- (viii) To reduce the sound pollution in the campus, we have built the seating arrangements in the shade of trees in our campus.

3. Constitution of Campus Beautification & Eco Club Committee:-

The Committee will act as per the environmental policy and shoulder the responsibility of maintaining and protecting environment surrounding the college. The aim of the committee is to provide advice for the development of environmental policy and practice in the areas of Waste Management i.e. Solid waste management, Sewage water management, Effluent water treatment, E-waste management, Soil Management, Water conservation. In addition, the committee will also manage tree plantations, Paper less operating procedure, Green environment and clean campus.
