Memo No:- GCWT/2025/16597

Dated:- 10/02/2025

Subject: -One day educational visit for M.sc. (Geography) students and faculty members

Respected Sir/Madam

The M.Sc. final year (Geography) students with faculty members want to visit your Institution dated on 13-02-2025. The students of M.sc. final year (Geography) have studied the remote sensing and GIS in their course. HARSAC also imparts training and education in the field of remote sensing and GIS. So the purposes of this visit to enhancing the students' knowledge in the field of remote sensing and GIS. We intend to take a round of the entire institution and meet your skilled staff show the tasks handled in different departments to our students. So I requested to you please provide us the permission on dated 13-02-2025 to visit your institution.

I anticipate a positive response from your end.

Thanks and Regards,

Principal
